

The 2018 FDM Seminar in Osaka, Japan

- ★ Date: October 27th and 28th in 2018
 - ★ The seminar fee: 58,000 yen (please pay the fee in the seminar room)
 - ★ The entry qualifications : DO, MD, PT
- (Sorry this seminar is not open to Chiropractors nor Sports Trainers)

★ Seminar Venue: Osaka-Dawn-Center
Ōsaka-fu, Ōsaka-shi, Chūō-ku, Ōtemae, 1 Chome-3

We recommend arriving at “**Itami airport**” since it is easier to get to the seminar venue although it is a domestic airport. Otherwise, “**Kansai International Airport**” is the second recommended airport.

The Osaka-Dawn-Center is located near Osaka Castle. You can enjoy taking a walk before and after the seminar.

After the seminar, we'll go on a one-night two-day sightseeing trip. The travel fee is about 35,000yen. (We'll make an effort to make a cheaper plan.)

Topics of the October 27th and 28th Two Day Seminar

@) Lower back pain.

Lower back Fascial distortions and FDM treatments which we couldn't introduce in the seminar in Cologne, 2017.

@) Heel injuries.

Achilles tendonitis, Heel pad lesions, Fat pad syndrome, and Sever's disease

@) Hallux valgus

@) Plantar tendon meningitis

@) Muscle bruises and Bony contusions

@) Visualizing of the Cylinder distortions

Which was announced by Keisuke Tanaka, FDM.O. in 2007 at the third FDM world congress.

We have prepared many topics and will introduce as many as possible, but please understand we are not sure if we can get through them.

This is information about the seminar. There are no meetings or conferences.
